Anonymous Call Block - Press \*77 to activate this service Blocked callers will hear a message instructing them to hang up, remove their blocking, and call again. Press \* 87 to deactivate this feature.

Do Not Disturb - Press \*64. Follow the voice prompts.

Call Intercept - This automated service works with Caller ID service. Unidentified callers that typically show up as "Anonymous," "Out of Area," "Private" or "Unavailable" on your Caller ID display are prompted to record their identity before your phone rings.\* Once the caller records his or her identity, the service alerts you with a unique ring and displays "Call Intercept" on your Caller ID unit.

When you pick up the phone, Call Intercept plays the recording and then gives you several options for handling the call.
